### Order Entry

All orders are subject to final acceptance by Bernhardt Design in Lenoir, NC. Receipt of our acknowledgment indicates acceptance of your order subject to the terms set forth on the acknowledgment.

Bernhardt Design attempts to clarify all purchase orders. However, in the event the price list number and description on the purchase order differ, the price list number will prevail.

### Changes / Cancellation

All orders in production are considered firm orders and are not subject to changes or cancellation.

### Custom Design

Bernhardt Design may alter products to meet specific needs. Contact your local sales representative when a custom design is needed. Custom designs require minimum quantities, additional lead time and upcharges. A custom job number, available from your local sales representative, must be submitted with purchase orders. Orders combining custom design with standard product cannot be scheduled for production until custom items are approved.

### Shipping

Bernhardt Design will ship in accordance with customer instructions whenever possible. If not specified, Bernhardt Design will exercise its best judgement in selecting a carrier. Orders in production will be shipped as scheduled and cannot be held. High quality cartoning which meets trucking and railroad specifications is standard at no extra charge.

### Freight Damage and Claims

Bernhardt Design is not liable for damages that occur during transit or storage. The carrier assumes all responsibility upon acceptance of product. It is the customer's responsibility to inspect all products upon receipt and file any claims with the carrier. No product should be refused. If products are received damaged, a written exception should be made on the bill of lading and an immediate inspection be requested of the carrier. Concealed damage must be reported to the carrier within 10 business days from date of delivery. Failure to make claims shall constitute acceptance of the products and waiver any claims of defects, errors or shortages.

In the event delivery is made on a Bernhardt Design truck, the products should be carefully inspected for transit damage. If contents are damaged, the driver should be notified to call his dispatcher for immediate disposition. Concealed damage must be reported within 10 business days from date of delivery and product/packaging held for inspection by a Bernhardt Design representative.

### Returns

No merchandise may be returned to Bernhardt Design without written consent in the form of a Return Authorization from our Quality Assurance Department stating reason for return and how the item will be shipped.

Unauthorized returns will be automatically refused by our receiving department as well as returns not in accordance with Bernhardt Design shipping instructions. Liability for defective merchandise shall be limited to the replacement or repair of that merchandise, and Bernhardt Design shall not be liable for other damages or losses.

### Measurements and Weights

All measurements and weights are approximate and subject to change without notice.

### Care and Cleaning

Finished wood surfaces should be cleaned with a soft damp cloth, wiping in the direction of the grain. Dry with a soft cloth, wiping in the grain direction. Do not use waxes or furniture polish, as these will cause a film build-up.

### Wood Finishes

Bernhardt Design tables are available in standard finishes compatible with casegoods and seating finishes. However, finishes on tables may vary slightly from those on casegoods and seating due to the natural characteristics of the wood. No absolute match is implied or guaranteed.

### Light Finishes

Bernhardt Design offers lighter finishes 836, 837, 840, 850 and 870. Light finishes do not hide or mask the natural characteristics of the wood. It is important that the dealer and customer understand that inherent natural characteristics of the wood will vary from piece to piece when using a light finish. Natural characteristics include the natural discolorations of the wood substance and color variations in glued up stock. These natural characteristics are not considered defects by Bernhardt Design, and therefore merchandise will not be replaced because of these natural characteristics.

### Special Finishes

Special finishes, made to customer specifications and subject to factory approval, may be available at a **5% net upcharge with a \$500 net minimum**. Additional leadtime may be required for special finish items. Special finish orders will not be acknowledged until the special finish sample is approved in writing and received by Bernhardt Design Customer Service. Special finish orders are not subject to revision or cancellation after acknowledgment.

### Warranty

Bernhardt Design will repair or replace, at its discretion and without charge to the original purchaser, any table product or part thereof which fails as the result of defects in material and workmanship, under single shift use and normal care, for five years from date of shipment. This warranty does not cover misuse or abuse of product, dramatic temperature changes, exposure to unusual conditions, or damages incurred by contact with seating products.

---

Repair or replacement of discontinued product will be at the discretion of Bernhardt Design.

Natural color changes, variations or movements in lumber or veneer products, exposure to extreme temperature changes and direct sunlight may cause color changes and/or surface damage. These are circumstances beyond the control of Bernhardt Design and are not warranty issues.

Drawer glides, drawer boxes, drawer pulls, and locking mechanisms have a Life-Time Warranty for the original purchaser. Power or communications components are warranted for one (1) year.

This warranty is the customer's exclusive remedy for product defect and does not apply to damage caused by a carrier, dealer, installer, user modification, or attachments to a product.

Bernhardt Design has the exclusive right to make the final determination of product misuse or abuse. Except as stated above, Bernhardt Design makes no express or implied warranties as to any product, and in particular, makes no warranty of merchantability or of fitness for any particular purpose. Bernhardt Design shall not be liable for any consequential or incidental damages or for commercial loss arising from any product defect. The Bernhardt Design customer is the dealer. All complaints must be resolved through the dealer from which the furniture was purchased.

To obtain warranty service the dealer must supply dated proof of purchase. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.

**Preferred Carrier Guaranteed Freight Rates**

Freight charges will be applied to orders as a separate line item based on the zones listed. Rates are based on zones with a minimum for each zone. All zones are located within the Continental United States.

The freight amount is calculated on the total merchandise net price, excluding any extra discounts beyond standard net pricing. Additional freight fuel surcharges may apply. Rates are based on deliveries made Monday through Friday, 8 am until 5 pm.

All orders are shipped by Bernhardt Design company trucks or preferred carriers specified by Bernhardt Design. Dealer warehouse information, including phone number and contact name, must be specified on the purchase order.

Direct site deliveries may be requested with an additional freight cost. Requests for direct site deliveries must be made 2 weeks prior to the scheduled ship week and meet the following criteria:

- Minimum of half truckload
- Delivery site accessible by a 53' trailer
- Complete delivery site address with contact name and on-site phone number
- Labor available for unloading

Deliveries that do not meet the criteria must be directed to a receiver warehouse. If a receiver warehouse is not available, the dealer may make arrangements with their own 3rd party carrier. If a 3rd party carrier is elected, a contact name, phone number and e-mail address is required.

Weekend direct site deliveries will incur a \$500 per trailer weekend delivery fee. Weekend is defined as between 5 pm Friday and 8 am Monday.

**Autobahn**

The Autobahn collection features tables ranging in lengths of 72", 78", and 84" with worksurfaces available in plank ash or plank walnut. Veneer is comprised of 4" strips alternating between quarter cut and partial cathedral and will run the length of the worksurface.

The 1 1/2" diameter legs are finished in a matte black powdercoat and configured using an atypical leg orientation. Matte black powdercoat caps are inserted into the worksurface to accent the location of the legs. Autobahn tables are shipped fully assembled.

The Autobahn collection is available upon request with certifications for Level 1, GREENGUARD and FSC® C012937 Chain of Custody. Requests must be made in writing in advance of or during the quoting process as upcharges may apply. For complete information regarding the Level 1, Greenguard and FSC certifications, please contact [bgreen@bernhardt.com](mailto:bgreen@bernhardt.com).

**Finish Selections**

A three character sku identifies the finish on each species. Individual components are priced with standard finish.

Special finishes on veneers made to customer specifications are subject to factory approval and a 5% net upcharge with a \$500 net minimum.

Transparent stains and sealers are applied in multiple steps to enhance the beauty of the natural wood. A durable, baked-on, top-coat of conversion varnish or UV topcoat is applied to protect the product. It is recommended that felt, cork, or fabric backed desk pads and accessories are used on worksurfaces to minimize wear.

When specifying light finishes such as 836, 837, 840, or 870, the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
