

Standard Features

Hint features a 3/8" (9.6mm) thick glass top suspended above a maple frame. The Opticlear glass has a slight bluish tint and is available as clear or backpainted white with an etched surface. Four clear silicone glass bumpers inserted into the frame separate the glass top from the base to protect surfaces and prevent movement.

The Hint table base and glass top are packed separately in the same carton.

Order Code G - Clear Glass
Order Code P - Etched, Back-Painted White Glass

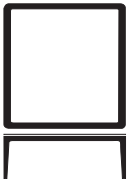

Finish Selection

When specifying light finishes such as 836, 837, 840, 850 or 870 the color and characteristic variances of the solid wood are apparent. Therefore, exact color matches are not possible.
