KIKI VAN EIJK

JOOST VAN BLEISWIJK

Although they share a studio in the Dutch city of Eindhoven—not to mention a home nearby—Kiki van Eijk and Joost van Bleiswijk

it takes two

usually develop products individually. But the couple joined forces for Workshop, a five-pattern lineup for **Bernhardt Textiles**. The polyesters and polyester blends, offered in eight colorways, can be mixed or matched on the seat, pillows, and bolsters of this **Bernhardt Design** chaise, another collaboration. It's stainless steel finished in brushed satin-nickel or antiqued copper.
