

**Standard Features**

Bassa is a collection of occasional tables designed to function individually, available in three different heights ranging from 15" to 18". The Bassa collection offers two top options: solid ash and spun stainless steel brushed with a low sheen clear coat or brushed brass PVD finish. The stainless steel rod base features nylon non-marring glides and is available in three finishes: polished, brushed brass PVD, and matte black powder coat. Tables are offered in three sizes: 16", 20", and 42" in diameter.

**Finish Selection**

A three-character sku identifies each solid wood top option as well as standard finishes. When specifying light finishes such as 836, 837, 840, 850 or 870 the color and characteristic variances of the solid wood are apparent. Therefore, exact color matches are not possible.
