

**Standard Features**

Everly is a collection of occasional tables designed to function individually in two different heights: 15" and 18". The table is composed of solid ash table legs with non-marring glides and a 2" thick ash veneered top. Tables are available in five sizes: 20", 36", 42", 48" and 54" diameters.

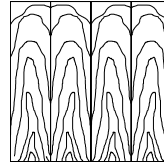

GREENGUARD Gold Certified.

**Finish Selection**

A three-character sku identifies each wood veneer option as well as standard finishes. When specifying light finishes such as 836, 837, 840, 850 or 870 the color and characteristic variances of the solid wood are apparent. Therefore, exact color matches are not possible.
