

Standard Features

Lancer tables are a collection of occasional tables designed to function individually and are available in two different heights: 15" and 18". The Lancer collection offers the ability of customizing the three-part base with different finishes. The stem is available in polished stainless steel and matte black powder coat. The fluted column is available in three finishes: polished stainless steel, matte black powder coat and brushed brass and the base is available in brushed stainless steel and matte black powder coat. Two veneer options are offered for the top: oak and walnut. Tables are available in three sizes: 17", 21" and 42" diameter.

Finish Selection

A three-character sku identifies each wood veneer option as well as standard finishes. When specifying light finishes such as 836, 837, 840, 850 or 870 the color and characteristic variances of the solid wood are apparent. Therefore, exact color matches are not possible.

Veneer Selection

OAK Oak
Rift Cut, Slip Matched
